

25th April 2024

Change Notification: 2024-002

Quality Notification

Product Discontinuation

Dear Distributor

In an effort to focus our resources on providing more advanced products to meet our customers' needs, Contec is consolidating its Cleanroom portfolio.

Effective October 1, 2024 or as inventory is depleted, the following products will no longer be available in Contec's product line.

Contec has existing alternative products within its product line that provide improved performance while maintaining the key benefits of those products that are being discontinued.

Please see Table 1 for the part numbers affected by this change.

To receive samples of the equivalent product offerings or to request more information, please contact your Contec Sales Representative.

We appreciate your understanding and look forward to your feedback on how we can ease this transition as much as possible.

Sincerely,

Mai Blackwell
