Change Control Notification: Product Rationalization BioClean™ BIOTAC Size 3XL

Dear Valued Customer,

At Ansell, we are constantly assessing customer needs and demands and evaluating our product portfolio to ensure we have the right solutions to meet your needs. Our portfolio management process also includes eliminating products due to obsolescence, insufficient demand, or with a replacement product with new or advanced features. It also includes evaluation to ensure efficiency within our supply process to maximize capacity and output, which results in a continuous supply of key product styles to you.

As such, the BioClean™ BIOTAC size 3XL will be discontinued from our product offering with immediate effect due to insufficient demand.

This individual size discontinuation does not affect the rest of the product offering, and the following sizes are still available:

Size
BIOTAC-XS Size 5.5-6
BIOTAC-S Size 6.5-7
BIOTAC-M Size 7.5-8
BIOTAC-L Size 8.5-9
BIOTAC-XL Size 9.5-10
BIOTAC-XXL Size 10.5-11

Should you have any questions regarding the items covered by this announcement please contact your local Ansell Nitritex customer service or sales representative.
