Change Notification - Discontinuation

Contec HydroPure 1L Capped

Reasons for Change

Due to very very low volumes of sales and to focus our resources on providing more popular products to meet our customers' needs, Contec is consolidating its range of EMEA disinfectants. Contec Sterile HydroPure 1L Capped and Contec HydroPure 1L capped will be discontinued.

We do have alternative products within the range that can be used instead. Please see Table 1 for the part numbers affected by this change and the replacement product codes.

Effective Date

Effective 1st October 2024, or as inventory is depleted, the following products will no longer be available in Contec's product line.
